

Hi there

My mistake and I used oanda as a currency converter but did not use the correct amount unfortunately.

I had to book alternatives and as mentioned from the beginning it will be subject to availability at the time of booking. Do you prefer that I book cheaper alternatives ? I can also take out a few of the game drives?

Regards,

Chrisna

Yes, but you said 13800 US, how can this turn in to 18000 in a few minutes time. We have been discussing everything in US and now the price tag have a whopping 30% extra on top

I still don't understand, it is the same amount of days, 18 night. You removed the rafting and the bill comes back with an additional 4400US hidden in a ZAR invoice. This don't look good and I'm still looking forward to the link online currency converter you used to get the 13800 US.

Hi

I asked our accounts to assist with the rate of exchange. Our system works it out at ZAR 11 for USD 1. This is actually lower than what it should be as it is apparently 11.2 for the day.

Chrisna

Hello again

I checked all the hotels and it is the same prices from 1<sup>st</sup> of November. Can you please give me a link to the online currency converter you used.

Hi there Aladdin

The invoice is definitely more as I had to book alternative properties. If you prefer I can look for other options or take out the Private Game drives?

Herewith the invoice in USD and looking forward to your feedback.

Regards,

Chrisna

Hello

I want the price in US Dollars. Your last quotation was 13651 and now you say 13800. That is OK, 25<sup>th</sup> I will try to pay before that, but I expect 1 or 2 more days before my money have come in to my account

PROBLEM!!!! According to my exchange rate the new price is 18000 US, almost 50 % more than your quotation so we need to sort this first of all. So please make the invoice in US Dollars

Best regards  
Aladdin

Hi Aladdin

We would need the full payment as it is less than 30 days before you travel and we need to pay all in full.

Herewith your invoice and the bank will do the conversion on the day of payment. It should be about USD 13 800 according to the website conversion option I looked at.

Herewith the form attached and please complete and send to [accounts@siyabona.com](mailto:accounts@siyabona.com) in order to process. If you pay with your Amex card we would need a front and back copy of the card as well.

Regards,

Chrisna

Hello Chrisna

You can skip the Johannesburg hotel. I take care of this myself

So cancel this and deposit, how many %? Total is about 13600 US Dollars so how much deposit?

Best regards

Hi Aladdin

I am still waiting for the confirmation on Melrose Arch Hotel. I hope you are happy with the rest as space is a huge problem and I tried to book the best options for you.

Please let me know as a deposit would be due latest on the 25<sup>th</sup> for some of the properties.

Best regards,

Chrisna
